

COVID-19 SAFETY MANAGEMENT PLAN

1

Social Distancing

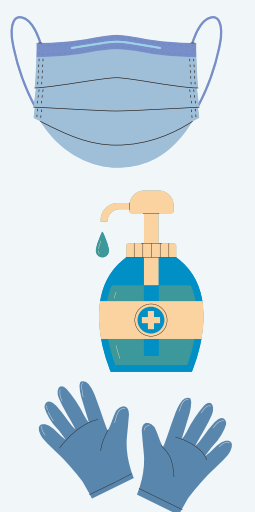

- The following measures will be taken to ensure and to provide for the maintenance of 1.5 meters apart between employees, customers, visitors, and vendors.

2

Hygiene Protocols

- The alcohol-based sanitizer will be available all the time.
- Wearing masks all the time.
- Wearing gloves all the time.
- Wash hands often and well.

3

COVID-19 Checklist

- COVID-19 Daily Self Checklist each day before reporting to work.
- Cleaners who are sick with a flu-like illness or who have been directed by health authorities to either self-isolate or self-quarantine must not attend work and must stay at home and away from others.

4

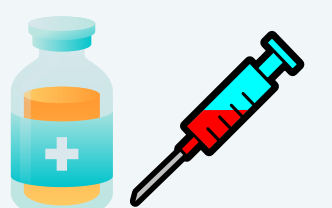

Employee Training and Wellness

- All employees must be trained on this COVID Safety Management Plan and the department will maintain a record of this training.

5

Implement COVID-19 vaccinations
